Mapping of *Higher Nitec* Courses to Polytechnic Diploma Courses
(for Students Admitted to the Direct Entry Scheme to Polytechnic Programme)

Students admitted to 2-year *Higher Nitec* DPP courses in AY2023, AY2024 and AY2025 are guaranteed a place in one of the polytechnic diploma courses[1] mapped to their 2-year *Higher Nitec* course shown below, provided they meet the following minimum qualifying GPA scores upon completion of their 2-year *Higher Nitec* course:

2-year *Higher Nitec* DPP Course[2]	**Mapped Polytechnic Courses for articulation from 2-year *Higher Nitec* DPP Course**	**Offered by**	**Minimum Qualifying GPA[3] for Year-1 Entry**

1. All courses listed are based on current available courses and will be subject to changes.
2. For 2-year *Higher Nitec* DPP courses in **Applied Sciences, Engineering and Info-Communications Technology**, in addition to the minimum qualifying GPAs, students are required to offer and pass a Math elective at ITE to be eligible for progression into polytechnic Diploma courses under the DPP. Students with at least Grade C in GCE O-Level Mathematics will be exempted from this requirement.
3. Refers to ITE GPA score excluding CCA bonus points. CCA bonus points will only be used in the computation of minimum qualifying GPA scores for posting to a polytechnic Diploma course.
4. Students who meet the minimum qualifying GPA for Year 1 entry are guaranteed a place in one of the mapped courses. Admission to a specific course is based on merit, subject to vacancies in the courses.
