I developed a keen interest in Business, during my time as a Higher Nitec in Events Management student, and while serving as a College East Student Ambassador. Both roles required me to work closely with staff from ITE College Services, in the planning and execution of events such as Orientation Week and the hosting of visiting delegates. I have received positive feedback from the event OICs regarding my involvement in these activities. I believe the Diploma in Common Business Programme will equip me with necessary skillsets required to pursue a future career in MICE.

Achievements

I am very passionate about helping others, as I believe that changing the world starts with helping one person. Observing my mother support the needy as a Social Worker, has inspired me to want to join a helping profession. I volunteered with Ren Ci Hospital, Society of Aged Sick, Macpherson CC, etc. and was appointed as the Chairperson (Community Outreach) of the 2022 ITE CE Student Ambassador, as I find planning activities and interacting with elderlies, very meaningful. I earnestly hope to be accepted in this diploma as it will allow me to achieve my dream of becoming a social worker

FAQ

Commonly Asked Questions

Q: What are the minimum entry requirements to apply Poly (EAE-i) under EAE?

A: Minimum final net GPA of 2.5. (including CCA bonus points)

If you have obtained a conditional offer under EAE but your **final GPA is below 2.5, your conditional offer under EAE will be revoked.**

Q: My GPA is less than the minimum GPA, can I still apply?

A: Yes, as they will only consider your final cumulative GPA.

Q: If I get shortlisted for interview, does that guarantee me an offer?

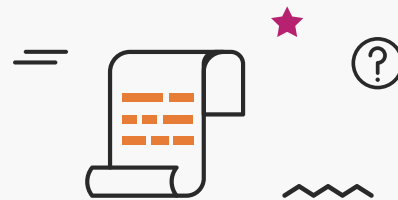

A: No, you will still need to do well at the interview

Q: How many EAE conditional offers will I get?

A: If you are successful, only one offer

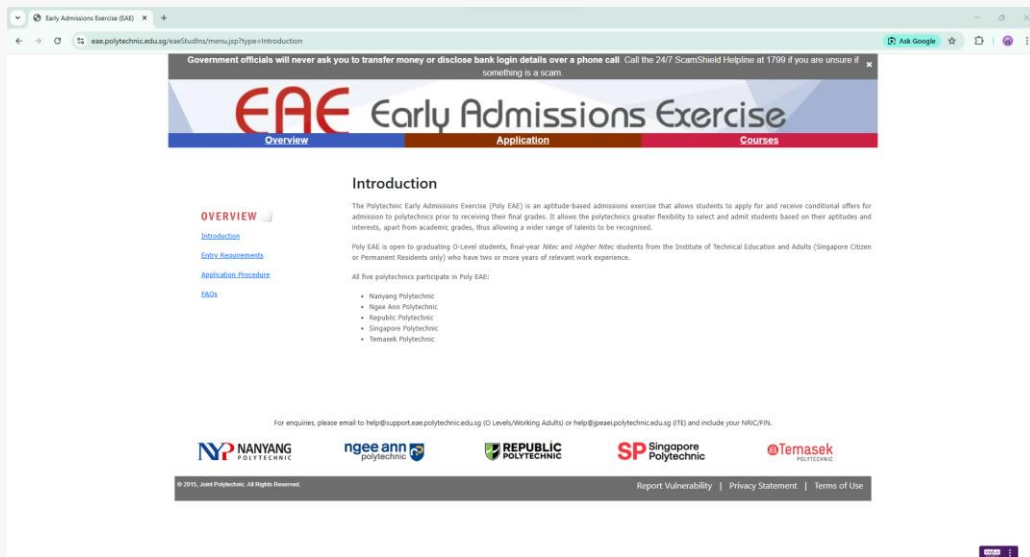

Q: If I reject my first choice (when offered), will I be offered my second and third choice?

A: No, you will not if you reject your EAE conditional offer.
