Submit

9. When you see this page, this means that your eAttendance is successfully captured in the system.

Attendance

Attendance is taken successfully.

!Note

Your contact details are for attendance-taking purpose only. If you have updated your details earlier, please ensure they are also updated in the Singpass system via this [link](#). This will allow your updated details to display automatically during your next e-attendance session. Updates may take up to 1 hour to take effect.

10. Ensure your name is also reflected on the attendance taking page shared by your lecturer.
