Honour Roll

On Friday 5 Jan, we had our Honour Roll ceremony to acknowledge our top students of 2023! They're certainly an inspiration to all Kranjians and prove that we can reap the rewards of our hard work! Congratulations! ✨

Kspiration Book Launch 2024

On Tuesday, 30 Jan 2024, the book launch of “Kspiration”, the 16th compilation of Kranjians’ Chinese essays, took place from 4pm to 6pm. A total of 127 students attended the event. The highlight of the event was the insightful sessions led by our guest speakers, Mr Bian Hui Bin, President of the Singapore Chinese Opera and Drama Society, and Dr Zhang Hai Jie, a well-known news presenter at MediaCorp. Their engaging sharing captivated the students.

THINK+ (Active Citizen Modules)

As part of the school's signature programme THINK+ (Think, INquire in Kranji'), Sec I students participated in the Active Citizen Modules in Term I of 2024 to increase their awareness to the issues that some communities face, so that they can brainstorm solutions to improve their lives.

First, they engaged in the module on Elderly through simulating how it would be like for some members of the elderly, such as how ageing affects work and friendships. Through this experiential programme, students gained greater empathy and knowledge about the challenges that the elderly community faces.

Then they participated in the module on Differently Abled people. Inclusion Ambassadors from the Disabled People's Association shared their life experiences and provided students with tips on how to interact with persons with disabilities. Students have an increased awareness about the needs and challenges faced by people with disabilities through interacting with these Ambassadors.

We hope that our students will be inspired to effect positive change in the community through their self-initiated projects during THINK+ and commit to service to the community.

Lunar New Year Cultural Gallery

Our school's Lunar New Year Cultural Gallery booth was a vibrant affair, featuring a series of cultural booths that brought our community together in a festive spirit.

The Parent Support Group (PSG) played a crucial role, offering lantern making workshop and serving traditional Chinese New Year pastries that were a hit among students.

In a twist on the traditional dragon dance, our students experienced the thrill of wielding long dragon ribbons, combining fitness with vibrant energy. This activity added a lively, energetic touch to the festivities.

The paper-cutting booth showcased stunning patterns, with intricate designs crafted with precision and care. The calligraphy booth was particularly engaging, teaching students the art of Chinese calligraphy firsthand. It was an educational experience that allowed them to dip their brushes into ink and practice strokes, creating beautiful characters under guidance. Additionally, there were Chinese chess and the making of colorful paper dragons.

Thank you to everyone who joined in the celebrations, contributing to a memorable Lunar New Year. Follow our social media for future events and cultural showcases!

Friendship Day 2024

What day was 14 Feb? It was Friendship Day (FsD)! 🙌

The Peer Support Leaders (PSLs) worked together to curate friendship-based activities for FsD '24.

The purpose of the event was to strengthen ties between friends and to give them a chance to show their appreciation for one another. This included...

1. Photo booth 📷 - bringing back the booth from last year, students were able to take photos with their peers and were able to use our very own customised filter by our PSLs!
2. Friendship bracelets 🧵 - with a twist, the students were able to make braided bracelets for one another or to match with another!
3. (NEW) Bookmark making 📖 - a booth where they could dedicate their appreciation for a friend through a message/drawing on a bookmark!
4. (NEW) Ball pong 🏓 - students were able to test their loyalty for their friendship through a game of truth or dare with a game of ball pong!

We truly are thankful to the Kranjians who took part in the games and kudos to the Planning Committee, as well as to the PSLs. Friendship Day 2024 was a success! ❤️
