Kindness Week 2024

Kranji's Peer Support Board held a Kindness Week event that was filled with various activities:

Meaningful Monday was when Kranjians customized bookmarks for their friends :)

There was also Thoughtful Tuesday where Kranjians created a chain of kindness by writing short, encouraging messages. Wholesome Wednesday was when Kranjians wrote small notes and messages to EAS staff members and teachers, and last but not least, Thankful Thursday! Kranjians learnt how to make small crafts such as pipe cleaner flowers, star origami and heart origamis!

Kindness Week allowed Kranjians to take their first steps to spread kindness! Be it writing letters to teachers or making small gifts for their friends, "no act of kindness, no matter how small, is ever wasted."

Achievement Day 2024

📸✨ #KranjiSecondarySchool Achievement Day Highlights! ✨📸

On 28 June 2024, Kranji Secondary School came together for a joyous and pride-filled Achievement Day 2024, themed "Celebrating Success, Embracing Growth." This unforgettable event celebrated the remarkable achievements of our students and staff.

☀️ **Guest of Honour:** We were privileged to have Mr. Ganesan Maniam grace the occasion. His encouraging words inspired everyone, setting a motivational tone for the entire event.

🌱 **Theme and Motto:** Our school's motto, Breakthrough, was central to this event, reminding us all of the limitless possibilities when we push beyond our limits. The theme "Celebrating Success, Embracing Growth" perfectly captured the spirit of this year's Achievement Day, emphasizing both the achievements we celebrate and the continuous growth we strive for.

🎤 **Inspiring Moments:** The Kranjian Aead speeches by Tay Hui Tong, the Express Course winner, and Alfred Lim, the Normal Course winner, were among the day's highlights. Their stories of perseverance and success were truly motivational, encouraging our Sec 4 and 5 students to follow in their seniors' footsteps and strive for excellence.

🎭 **Performances:** The celebration was further enlivened by spectacular performances from our performing arts CCAs. Their talent and hard work added a vibrant and entertaining touch to the event, showcasing the diverse skills of our students.

We are incredibly proud of all our award recipients and grateful to everyone who contributed to making this event a success. Let's continue to aim high and support each other in our journey of growth and success!

2024 Voices of Youth: Shaping Singapore's Future!

Students from Regent, Unity, and Kranji Secondary Schools came together to tackle key issues from the Prime Minister's National Day Rally Speech. With insightful discussions on Bilingualism, Every School Is a Good School, Different Pathways to Success, and Technology's Role in the Classroom, these young leaders shared their thoughts with our esteemed panelists—Mr. Ong Teng Koon, Second Advisor to Marsiling Yew Tee GRC GROs (Limbang), Mr. Chua, Principal of Kranji Secondary, and Miss Mustikha, Vice Chairman of Limbang Youth Network, with the discussion expertly moderated by Mac Lee, President of the Student Council. 🙌👏

Co-organized by Limbang Constituency and Kranji Secondary, and supported by the Limbang Youth Network, this event showcased youth's power in shaping our nation's future!

National Day Celebrations 2024

We celebrated National Day on 8 August, reaffirming our loyalty to Singapore with an observance ceremony helmed by the Uniformed Groups and Symphonic Band. Our students then learnt about how they can be active citizens: Secondary 1 students joined workshops by community organisations, Green Nudge and Heartware Network. Our Secondary 2 and 3 students heard from their Secondary 4 seniors and Student Leaders share about their VIA projects. Meanwhile, Secondary 4 and 5 students attended a talk by Colonel Edwin Chua, Commander, 3rd Singapore Infantry Brigade, to learn about the importance of defence. Finally, the school gathered at the hall for a concert and sing-along to celebrate Singapore's 59th birthday.

Read for Books 2024

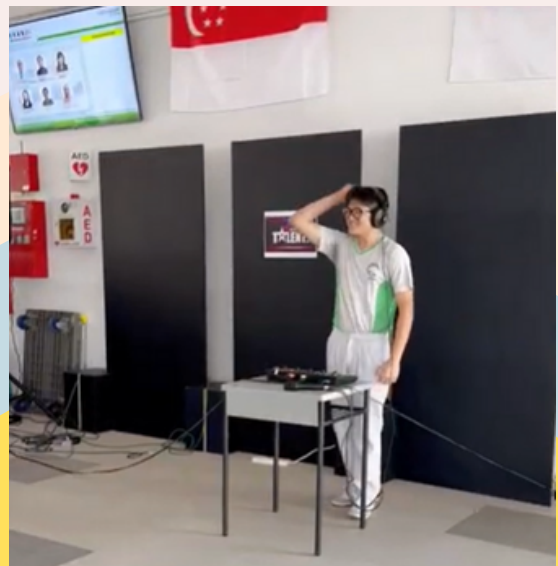

Every year, Kranji Secondary School takes part in the Read for Books charity book drive organised by the National Library Board. For every 10 people who commit 15 minutes to reading, one book or equivalent will be donated to selected beneficiaries. This year, we took part by reading together as a school during the morning assembly. We hope the less privileged will enjoy the books they receive and experience the joy of reading too!

Kranji Got Talent 2024

🎤✨ Kranji Got Talent auditions took place on Friday, 2 August 2024 in front of the iconic Breakthrough Staircase, and what a show it was! We enjoyed a fantastic array of performances, from soulful singing to electrifying DJ sets, and impressive guitar, piano, and band acts. 🎸🎹🎵
