SINGAPORE POLYTECHNIC

Our Graduates. Our Pride.

ABOUT SP

The Singapore Polytechnic was first established on 27 October 1954, with the passing of the Singapore Polytechnic Act. It was the first polytechnic to be set up in the country. Its main campus at Dover Road occupies a 38-hectare site.

The Polytechnic's mission is to be a future-ready institution that prepares our learners to be life ready, work ready and world ready.

Graduate Output

A total of 5,246 graduands will receive their diplomas, advanced diplomas, specialist diplomas and certificates at the Graduation Ceremony 2025.

Of this total, 3,830 were from the full-time and 1,416 were from the part-time courses.

With this year's batch of graduates, the Polytechnic would have produced more than 240,000 graduates.
