

Frequently Asked Questions (FAQs)

1. How do I make a booking and how do I pay for my booking?

All bookings are made through our online portal [here](#). The billing will be sent to you after the camp has been completed.

2. What are the dates for the camp?

Camps are held only on weekdays throughout the year, subjected to availability. Please contact us at 6425 2500 or email us at kidsstop_prog@science.edu.sg to enquire about available dates.

3. Can I hold the camp on weekends?

The camp is only conducted during the weekdays (i.e. the first day of the camp should fall between Monday to Thursday). Public holidays are not included.

4. What ages of children are recommended for this camp?

Science-tastic Sleepover! is suitable for kindergarten 1 and 2 students.

5. What is the minimum and maximum number of children required for the programme?

The minimum number of children is 20 and the maximum number of children is 60. Please note that accompanying adults will not be included in the capacity count.

6. Can I add on or reduce the number of participants before the camp?

The final number of children attending the camp must be confirmed with us at least 30 calendar days before your selected date. This is so that we have sufficient time to make the necessary arrangements for the camp.

7. Can parent volunteers join? How much will that cost?

Parent volunteers are allowed to join our overnight camp. Please note that for every 10 payable students, admission for one adult is complimentary. An additional charge of \$50 (inclusive of GST) will apply for every subsequent adult.

8. Can I visit the venue before placing a booking/reservation?

Please contact Kidsstop_prog@science.edu.sg to arrange for an appointment. The venue is available for viewing on Tuesdays to Fridays, 10.00am – 12.00pm or 3.00pm – 5.00pm (subject to availability). Once your appointment has been confirmed, please proceed to the KidsSTOP™ ticketing counter and look for Ms Teng Li Hui/ Ms Faith Bok/ Ms Demi Lee on the day of visit.

9. What is the itinerary for the camp?

Please refer to our itinerary [here](#). Do note that this itinerary may be subject to change at the discretion of KidsSTOP™, Science Centre Singapore.

10. Will food be provided for the camp?

Meals will be provided for all participants during the camp. The meals catered will include dinner, snack time and breakfast. Kindly ensure that all participants fill in the indemnity form prior to the camp to inform us of any dietary restrictions.

11. Will sleeping bags be provided?

All children and adults must bring their own sleeping bags and other necessary bedtime items for the overnight camp. The sleeping area will be indoors, in an air-conditioned room.

12. What do participants need to bring to the camp?

Please view a sample of our packing list [here](#). The packing list may differ depending on your chosen 3 science activities. We will send the confirmed packing list to you by email closer to the date of your camp.

13. What are the ingredients used for the Dry Ice Slushie and DIY Frozen Yogurt science activity?

We will be using Minute Maid Plus+ Orange Fruit Drink for the Dry Ice Slushie activity and Just Pure Vanilla Flavour Sipping Yoghurt for the DIY Frozen Yogurt activity. Please ensure that your camp participants have no allergies to the above two ingredients before booking these activities.

14. How can I find out more about each activity?

You may refer to our Science-tastic Sleepover! guide deck [here](#). Please contact Kidsstop_prog@science.edu.sg if you have more questions or require further clarifications for the activities.
