WorldSkills ASEAN 2023

Zechariah Tan Shen Wei, Diploma in Information Technology
Y3 IIT LEAD Student
Bronze in Web Technologies

"WorldSkills ASEAN was a one-of-a-kind experience where we performed in a high-stress environment. Remaining resilient throughout my training was definitely a challenge. Most importantly, this opportunity has taught me many valuable lessons and those are my biggest takeaways!"

Darren Ong Yan En, Diploma in Cybersecurity Digital Forensics
LEAD Alumni
Bronze in IT Network Systems Administration

"I've met many wonderful people during my WorldSkills journey! There were undoubtedly challenges along the way, but the new skills that I've acquired will be useful for my future endeavours. I will continue to strive for the best and look beyond the medals because these learning experiences are truly priceless."
