Another semester has come to an end and we hope that you've had a fruitful February!

Check out some of our favourite moments from the past month!

LALA Walk

"It was a fun, engaging and definitely a memorable day at marine barrage and I'm thankful to have participated! The interactive games gave me the opportunity to interact with people in other teams and also get to know them better since I just joined LA."

Leow Yu Xuan Valencia
Year 1 LEAD Student
Diploma in Medical Biotechnology

"LALA Walk is an event that connects students and is a great opportunity for students to bond. I registered alone but returned home with a group of new friends."

Zahrina Binte Zakaria
Year 3 LEAD Student
Diploma in Aviation Management

It'sRainingRaincoats

"The event was fruitful as I got to interact with foreign workers and students whom I did not know through the activities. Despite struggling to communicate with the foreign workers at first, our group managed to overcome the language barriers as we worked together to speak in simpler English. Through this, I got to make new friends and learn how to interact with foreign workers and had an enjoyable time."

Aubrey Hilary Mok Ming Hui,
Year 1 LEAD Student
Diploma in Mechatronics Engineering

Harmony Champions Programme 2023

11 LEAD students attended the launch of the harmony champion programme at Istana on 26 Feb where they received their appointment certificates from President Halimah Yacob. They will go through series of trainings and will be organising a mini-project during racial harmony week. Do look forward to it!
