PERSON OF THE MONTH

Alvin Teo
TPLA's
Ex-Vice President

Alvin's Important Tips about leadership:

- ***Be Bold and Brave –*** Everyone needs to take the first step out of their comfort zone. You are the only barrier between yourself and what you can achieve out there.
- ***Learn as much as possible –*** Be hungry and curious for knowledge. This will help you stay current, thrive, and grow holistically.

How do you personally ensure consistent leadership growth and development?

"I believe this comes from each individuals' efforts. The LEAD Programme offers many opportunities which are very useful. LEAD Heart and the Harvard Business School Club of Singapore Mentorship Programme are some examples. I highly recommend all LEAD students to tap into these programmes to bring their leadership growth and development to new heights."

Quote of the Month

"Obstacles don't have to stop you. If you run into a wall, don't turn around and give up. Figure out how to climb it, go through it, or work around it."

- Michael Jordan
