TPLA NEWSLETTER

We hope you are feeling refreshed and excited this new year (and still keeping to your new years resolutions.) Here are some highlights for the month!

Look forward to an upbeat Chinese New Year!

Visit to the Parliament

On the 25th of January, 20 LEAD students had the exciting opportunity to walk through the corridors of history and find out the origins of our Parliament. Getting insights into how the government works and the laws that keep our country running.

Global summit

20 LEAD students were flown out to the United Nation conference center in Bangkok, Thailand to attend the Global Peace Summit. Youth leaders from all over the world gathered to advocate for peace, network, and more. Our LEAD students who participated in this event were honored with the distinguished role of Humanitarian Affairs Peace Ambassador.

PERSON OF THE MONTH

Favourite part of being a leader

I feel accomplished by serving alongside LEAD Ambassadors whenever we successfully close off and celebrate the completion of events. It is magnified by shared efforts, leaving me with memorable impressions.

Tips for aspiring leaders

1. Embrace mistakes as part of the learning journey. Understand that nobody operates at their peak 100% of the time. It's entirely normal and acceptable to seek help when needed.

2. Hard work and heart work go hand in hand! While achieving results matters, it's crucial to stay grounded, reflecting on the purpose of service and the community we serve alongside.

Jiayousss'24 Valentine's Theme

Jiayousss is an initiative which aims to encourage students through the examination period with a Valentine's Day-themed care package.
Care packages are packed and will be distributed by student volunteers!
