5th Global Peace Summit (21-23/1/26)

Ten Temasek LEAD students embarked on a transformative overseas learning journey to the 5th Global Peace Summit 2026, held at the United Nations Conference Centre in Bangkok, Thailand and organised by Humanitarian Affairs Asia. Over three impactful days, they joined 400 youth delegates from around the world in plenary sessions, workshops, and cross-cultural dialogues focused on conflict resolution, peacebuilding, and humanitarian leadership.

Engaging with global activists and thought leaders, our students gained fresh perspectives on advancing a more peaceful and inclusive world. The summit not only strengthened their leadership competencies but also forged meaningful international friendships and a renewed commitment to drive positive change beyond borders.

LEAD Presentation Party (30/1/26)

The LEAD Presentation Party, organised by the LEAD Ambassadors, was a vibrant and engaging bonding session that celebrated creativity, confidence, and community within the LEAD family. Students took to the stage to deliver bold, humorous, and imaginative presentations, showcasing not only their ideas but also their personality and public speaking skills.

LEAD x NTU Learning Journey (30/1/26)

36 LEAD students spent a meaningful afternoon at NTU gaining valuable insights into undergraduate admissions, scholarships, and entrepreneurship opportunities. The session also featured an engaging sharing by four TP LEAD alumni who are currently NTU Scholars from Psychology, Biological Sciences, Computer Science, and Electrical & Electronic Engineering, offering firsthand perspectives on university life and academic pathways. The learning journey concluded with a visit to The Wave for a glimpse of campus life beyond the classroom.

Recycle Red (21/1 - 12/3/26)

Recycle Red 2026 is Back at TP!
Too many Chinese New Year red packets lying around? Give them a second life!

Recycle Red 2026 encourages students and staff to recycle their used red packets as part of a sustainability initiative by The Bettering Branch and Geneco, supported by TP LEAD Ambassadors. Collected packets are recycled into new paper products, helping our campus and the planet stay greener.

The campaign runs from **21 January to 12 March 2026.** It's more than just recycling, TP is joining a friendly inter-school competition with other polytechnics, secondary schools, and junior colleges! Top contributors even stand to win rewards. 🏆

Every packet counts! Rally your friends and colleagues, drop off your red packets, and play your part in building a more sustainable future.

Where to find the donation bins:
📍 **Outside TP Library**
(Green Corner, The Plaza)
📍 **Outside Childcare Centre**
(Blk 1A, East Gate Level 1)

Jiayousss 2026 (11-13/2/26)

Jiayousss 2026 was back for submissions week! From 11 to 13 February, LEAD Ambassadors handed out specially curated LA Care Packages outside Blackbox Theatre, with the first 300 students receiving these energizing boosts. True to its motto, 'For LEAD Students, By LEAD Students,' the initiative brought motivation and camaraderie to a busy season.

LEAD x SUSS Learning Journey (20/2/26)

13 LEAD students spent a purposeful morning at the Singapore University of Social Sciences (SUSS), gaining valuable insights into undergraduate admissions, scholarships and financial support, career development pathways, and student life on campus. The session provided students with a clearer understanding of their post-diploma options and how SUSS supports holistic growth both academically and professionally.
