"A genuine leader is not a searcher for consensus but a molder of consensus."
-Martin Luther King Jr.

Post Budget 2025 Dialogue (1 Mar)

17 LEAD students attended the Post-Budget Dialogue at Bedok CC, discussing Singapore's future, economic challenges, and social cohesion.

Engaging with DPM Heng Swee Keat, they shared insights on national policies and aspirations, gaining valuable perspectives on leadership and governance in Singapore.

LEAD Summit 2025: Defending the Digital Frontier (11 Mar)

166 LEAD students attended the March run of LEAD Summit 2025, themed "Defending the Digital Frontier – Strategies in Building a Resilient Smart Nation."

Students actively engaged in discussions and a hands-on workshop, applying design thinking to develop innovative digital defence solutions, reinforcing their role in safeguarding Singapore's digital future.

Japan 2025 OEP Trip (17-24 Mar)

30 LEAD students embarked on a transformative study trip to Japan, gaining insights into innovation, leadership, and culture. They engaged in university exchanges, industry visits, and networking sessions, broadening their global perspectives.

Interactions with professionals and academics deepened their understanding of Japan's business landscape and societal values. The experience enhanced their critical thinking, adaptability, and leadership skills, inspiring them to apply these learnings in their leadership journeys at TP and beyond.

LEAD Heart (27 & 28 Mar)

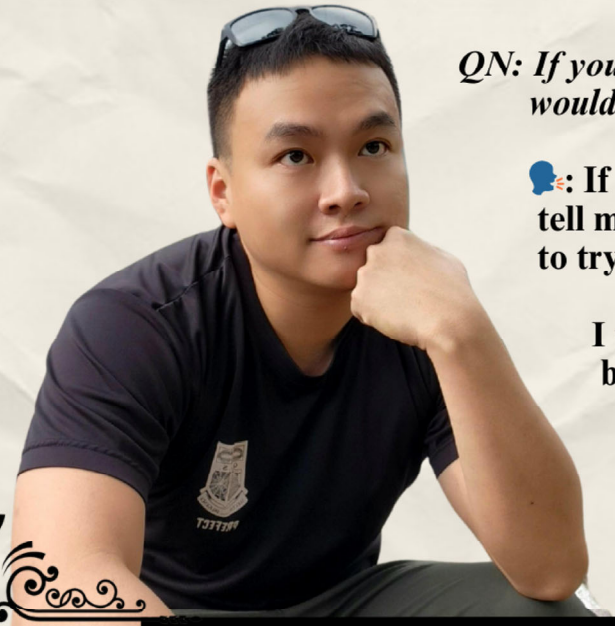

231 LEAD students participated in LEAD Heart: Intergenerational Harmony, engaging with seniors to foster meaningful connections and bridge generational gaps. Through interactive activities, they gained insights into aging challenges and the value of intergenerational bonding.

The event promoted empathy, knowledge exchange, and stronger community ties. Students left inspired to lead with compassion and contribute positively to society.

QN: If you could give your younger self one piece of advice, what would it be?

🗣️: **If I could give my younger self one piece of advice, I would tell myself to be more open and approach life with curiosity, to try new things and meet new people.**

I was more reserved as a teenager, and didn't explore beyond my own comfort zone. But if I took the leap of faith to be open to new experiences, I would have a more enriching student life.
