Youth Dialogue on Singapore's Total Fertility Rate (16/5/26)

3 LEAD students participated in an exclusive youth dialogue organised by Heartware Network, featuring Minister in the Prime Minister's Office and Second Minister for Finance and National Development, Indranee Rajah.

The session explored Singapore's Total Fertility Rate (TFR) and population challenges, providing students with the opportunity to engage directly with policymakers on socio-economic factors influencing family planning. Through the dialogue, students gained valuable insights into Singapore's demographic challenges and the policy considerations shaping the nation's future.

TPLA NYAA Check-In Session (22/5/26)

The Temasek LEAD Ambassadors (TPLA) organised an NYAA Check-In Session, bringing together 16 participants for an energetic badminton session in support of the Healthy Living pillar of the National Youth Achievement Award (NYAA). Beyond promoting physical wellness and resilience, the session provided a meaningful platform for participants to strengthen friendships, foster teamwork, and build a stronger sense of community.

LEAD Challenge (15/6/26 - 16/6/26)

128 LEAD students participated in a 2D1N residential adventure programme at Outward Bound Singapore. Through a series of outdoor challenges, students deepened their self-awareness while developing teamwork and adaptability in VUCA-like settings, gaining practical insights into leadership and personal development.

Many students especially enjoyed the high-element and water activities, which challenged them to step out of their comfort zones while building confidence and forming new friendships along the way.

Pre-University Seminar 2026 (2/6/26 - 5/6/26)

8 LEAD students participated in the Pre-University Seminar 2026, themed "We With Everyone." The seminar brought together 550 students from 30 Institutes of Higher Learning (IHLs) to engage in learning journeys, expert-led discussions, and dialogue sessions exploring key national issues and potential solutions for Singapore's future.

The programme concluded with a keynote address and Q&A with Minister for Education Desmond Lee, followed by a showcase of student proposals. Students strengthened their critical thinking, collaboration, and civic engagement skills throughout the seminar.

Learning Journey (Hyundai Discovery Tour) (16/6/26)

29 LEAD students participated in a learning journey to the Hyundai Motor Group Innovation Center Singapore (HMGICS), where they explored smart manufacturing, sustainable mobility, and future technologies through visits to the Smart Farm, Factory VR Tour, Skytrack, and IONIQ Lounge.

The experience broadened students' understanding of how innovation and sustainability are transforming industries, while encouraging them to reflect on how these advancements can be applied in Singapore's context.

NYC Leaders Course (22/6/26)

As part of the Singapore Young Leaders Programme (SYLP), 94 LEAD students participated in a 3D2N NYC Leaders Course, organised in collaboration with the National Youth Council and Outward Bound Singapore.

Through a series of engaging activities and shared immersive experiences, the students strengthened their teamwork skills, forged meaningful connections, and gained deeper insights into Singapore's history, values, and future aspirations.
