IDOP 2023

For the International Day of Older Persons 2023, we collaborated with VintageRadio.SG, TWCC and Evergreen Circle Active Ageing Centre. It was a laughter-filled event where we had fun befriending and mingling with the seniors!

"As this was my first LEAD community event, I was nervous and had trouble communicating with the elderly due to the language barrier. However, with the help of other LEAD Ambassadors, I overcame this challenge and had fun interacting with them. Overall, the event was well-planned and I would definitely participate in more LEAD events in the future!"

BOO-U

"This was my first time planning an event, and especially since it was the first bonding day open to all LEAD students, I was uncertain and doubtful that I could meet their expectations.
However, the smooth execution of BOO-U and the participants' enjoyment made me proud of my team! My favourite part of the event was the groups presenting their cheers!

Overall, it was a great learning experience, and I look forward to organising more events for LA and LEAD!"
