Global Engagement Programme Study Trip to Denmark & Finland (22/09/25 - 05/10/25)

In collaboration with Copenhagen Business School, Aalto University, and Metropolia University of Applied Sciences, 20 Temasek LEAD students had the opportunity to embark on a 2-week Global Engagement Programme (GEP) Study Trip to Denmark and Finland to immerse themselves in the cultures, education systems, and leadership philosophies of Denmark and Finland.

The trip featured 9 academic workshops covering diverse topics such as the Finnish economy, political and education systems, Danish leadership principles, and the pursuit of Sustainable Development Goals (SDGs).

Students participated in over 16 learning journeys, visiting local factories like KONE and Fazer, and exploring iconic landmarks including the Olympic Stadium, Amalienborg Palace & Museum, and Suomenlinna Sea Fortress.

Beyond academics, students engaged in enriching cultural activities — from watching an ice hockey match, touring the Oodi Central Library and Finnish Parliament, to exclusive visits to Maersk Headquarters and UN City.

They also had the chance to interact with local students and faculty, gaining valuable insights through campus tours at Aalto University and Metropolia UAS.

The trip not only broadened students' global outlook but also deepened their critical thinking, leadership, and cross-cultural understanding!

23rd NYAA Gold Award Ceremony (06/10/25)

6 LEAD students received the prestigious NYAA Gold Award at the 23rd NYAA Gold Award Presentation Ceremony held at SP Convention Centre on 6 October. The event was graced by President Tharman Shanmugaratnam, who presented the awards, accompanied by Mr Desmond Lee, Minister for Education and Chairman of the NYAA Advisory Board.

LEAD Summit (13/10/25)

In celebration of SG60, the Temasek LEAD Summit brought together 258 LEAD students to reflect on Singapore's journey of resilience and innovation while envisioning an AI-driven future. The summit encouraged participants to explore how they can thrive in a rapidly changing world. Not only by developing technical expertise, but also by embracing creativity, adaptability, ethical responsibility, and collaborative leadership to shape Singapore's next chapter.

Temasek LEAD Onboarding Session (23/10/25)

On 23 October, Temasek LEAD hosted an onboarding session to welcome new and aspiring student leaders. The event introduced participants to the Temasek LEADership Programme, upcoming activities for AY2025/26, and the NYAA Gold Award. Attendees also gained valuable insights through an inspiring panel sharing by current LEAD students, motivating them to grow, lead, and make a positive impact within TP and beyond.
