MONTHLY NEWSLETTER

TERM 1 EDITION AY2022/2023

FOREWORD

After the exciting first term of the academic year, we are back to share what our members have been up to in the last few months! We also hope that everyone is staying safe and enjoying their term break so far!

THE NEW AY

Starting off, we proudly introduce the new committee for this academic year, consisting of 7 members, Caitlyn, Masha, Jungyup, Fion, Aiman, Jaime and Regine. They are excited to lead Music Vox and take the CCA to greater heights!

On another note, taking over the newsletter for this AY is the newly elected publicity team, Jaime and Regine! We will be updating the newsletter at the end of every term, bringing recaps of what our members have been up to and the many upcoming events we have in store for everyone, so we hope that everyone is just as excited as we are for the new AY!

SPECTACULAR 2022

Next up, presenting SPECTACULAR 2022! An annual concert prepared for the freshman, OGLs and staff of Temasek Polytechnic. For this year, there were 7 days of live performances for the 7 schools from all the performing arts CCAs.

As for Music Vox, 2 bands were sent to represent our CCA for the various shows! The first consisting of Vocalists Ameerah, Masha and Jaime, Guitarist Dhruv and Anna, Keyboardist Khai, Bassist Luke and Drummer Jungyup. The second consisting of Vocalist Diyanah, Guitarist Dhruv, Keyboardish Pye Oo, Bassist Bryce and Drummer Zhi Kai. The performance line up consisted of "10 Steps", "Colours Of The Wind" and the Temasek Polytechnic School Song. If you missed them live, you can watch all the performances here!

Both bands practiced tirelessly in preparation for the performances, and though the 7 days of shows were tiring, both bands managed to pull through to put up amazing sets of performances and we are very proud of all their hard work!

It was also touching to see many of the students and staff of TP all gathered in the same auditorium, celebrating and welcoming the new batch of students into the school. We are all grateful to have been part of this incredible 7-day event and are excited for more of such live events in the future!

CCA FAIR

Our CCA Fair this year was conducted in hybrid mode, with day 1 being in-person and day 2 being online, we are incredibly thankful to everyone for making the time down to come to our booth and attend the virtual session!

With the help of some of our current CCA members, we managed to engage students and share more about our CCA through our slideshows and videos, and tied everything together with a form for those interested to sign up to be a part of our CCA!

Lastly, we also made a highlight on our Instagram featuring some questions that people sent in, so do check that out if you're interested to know more about us!

AUDITIONS

Following CCA Fair, were auditions which came in two phases this year. Phase 1 entailed an online submission, and shortlisted auditionees went through Phase 2 in-person in our studios!

Congratulations to those who passed! We are all excited to see all the new faces soon! For those who were not able to join at this time, we hope that you continue to pursue your passion for music and we hope to see you again at auditions next year!

The results were also announced via our Instagram @tpmusicvox, so do follow us for a lot more updates coming your way on what our freshies will be doing over the course of their induction!

MY INDUCTION CAMP

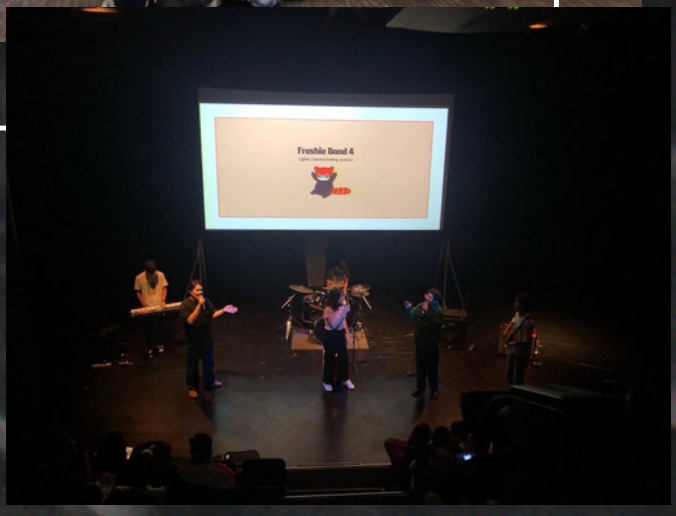

To end off our term 1 activities, we welcomed the new batch of freshmen with a very exciting full-day camp which was split into 3 very fulfilling and enriching segments.

Firstly, we kickstarted the camp with ice-breaker games which helped our freshies to get to know and their band members better and become more comfortable with each other!

Following that, each of the 7 bands were tasked with the challenge of covering songs from different genres and it was amazing to see many of them rise to the challenge and push themselves to explore unfamiliar genres as well as to pick up new techniques along the way with the help of a workshop conducted by our alumnus and instructor, Daryl!

Finally, after a full afternoon of jamming, our freshie bands were able to showcase their creations through the performance segment, 'Final Night'. We are all very proud of what they had managed to showcase within that short span of time!

We also had the honour of inviting alumni band 'We're Being Watched' to perform two of their own original songs, inspiring us with their jaw-dropping performance!

Last but very not least, to welcome our freshmen - the committee had a surprise performance in store as they performed a mash-up of "Nobody Like U" from the film Turning Red, as well as "10 Steps", an original song coming out in our upcoming LP!

To say the least, it was wonderful to see the new batch of members enjoy themselves through the camp and embark on their new journey in Music Vox!

ALUMNI SPOTLIGHT

ANIQ RUSYAIDI

Over the months of March, April, May and most recently in June, Music Vox alumnus Aniq Rusyaidi put up monthly performances at Our Tampines Hub and has once again awed us with his outstanding vocals and incredible stage presence!

More recently, Aniq also performed for his first anime-themed concert at Expo on the 18th of June!

Singer-Songwriter Khally performed her latest single "LTAL" which can also be found in her latest album "Let's Talk About Love" at Esplanade's "Soul Jam" in March! Once again she shook the stage with her soulful sound which moved the hearts of listeners!

THAT'S ALL FROM US THIS TERM!

And that's a wrap for all our activities for the first term of this AY! We hope that everyone is just excited for this year as we are and we hope to see everyone again next term! Till then, stay safe and take care!
