OPERATION #UNTAMEREBOOT!

Our Earth is on the brink of collapse - only you can save it. Embark on a journey through time to restore our home in #UNTAMEREBOOT! Stand to win attractive prizes by playing a collection of mini-games, video quizzes, DIY kits and real-world activities.

Explore a variety of different habitats and uncover the damage done to the planet by humanity's unsustainable living and practices. With the help of a mysterious new technology, you'll set off on missions to restore ravaged environments - watch the impact of your actions unfold as you transform the planet back into a vibrant and beautiful one.

It's time to reboot our world.
